

Ravah is a Hebrew word that means “Refresh”!
 Refreshing the Christian Pastors of Mexico is the blessing of Ravah Ministries!

Happenings

Welcome Creekside Bible Church Mission Team!

A return-team from Colorado that for some unknown reason seems to flourish in the heat of Mexico! They keep coming back in the heat of summer, and we will keep welcoming them for as many years and trips as they bring their special blessing of “ravah” to the Christian churches of Mexico!

Sharing “World Cup” soccer AND Jesus with local Piedra Agular teens, and VBS with Iglesia Christiana Piedra Agular children. What a blessing to this community and church!

And, ... as if hot, physical labor to get Pastor Tony’s church up and running is not enough work, this amazing team from Castle Rock, Colo. poured a new concrete patio for children’s church activities and a front sidewalk for Pastor Ramon and Sinai Church in San Pedro el Saucito! MUCHAS GRACIAS Creekside!

Discipleship Training in Mexico City & Acapulco

A long-awaited week brought Enrique back to Mexico City for Session 3 of the Discipleship Training and then on to Acapulco for Session 2, which first begun back in January of 2018. The response was beyond words and beyond Enrique’s expectations! 110 total attendees for these two area meetings of Discipleship Training! Such a blessing of refreshment from the Lord!

Praise & Prayer.

Praise for safety, energy, helpful bodies, and God’s most faithful provision in the Medina’s move back to the United States. Of course, they have faced some difficulties, but continue to know that this was the right thing for their family and that God will be with them through the difficulties as well as the blessings! To God be the glory!!!

Praise! While the Medinas lived in San Pedro el Saucito, the family had the opportunity to meet, become friends with, and to witness and share Jesus with their neighbor. Just before they left, one last visit, and the gentleman asked to receive Jesus Christ into his life!!! Pastor Ramon was helping the Medinas to pack up and gladly took the time to pray with this neighbor! Pastor Ramon will be very close by in San Pedro to continue to disciple this new brother in Christ!

“And all of Heaven rejoices!”

Praise for a very productive and safe trip for Enrique to Mexico City and Acapulco to complete Sessions 2&3 of the Discipleship Training material with the pastors and church leaders!

Praise for God’s most wonderful provision that one of our U.S. partners donated his old pick-up truck to Ravah Ministries which will be used by Pastor Ramon down in Mexico to take the Discipleship Training to areas of Sonora and Chihuahua, Mexico. We ask for continued prayer and financial support directly for Ravah Ministries staff person Pastor Ramon Soto and his family. If the Lord is leading you to help, please write: Pastor Ramon in the memo line of your support check. Thank you!

Praise for our Ravah ministries partners who made it possible for us to purchase a new water pump for Casa Hogar! We were also able to fix the A/C on their old van! ☺ And the new/used van that was purchased for Casa Hogar Children’s Home four months ago continues to run beautifully!

Praise for the team from Creekside Bible Church from Castle Rock, Colo. who, through the extreme heat of the June days, performed extraordinarily to accomplish SO much in their short 7 day stay! You have been a returning team for many years and with those trips we see new, smiling faces (and even some faces that are older that have been coming since the beginning, ...but are still smiling and loving!). The people and communities of Mexico see those smiles and experience those loving hearts, too, and they are so grateful and blessed to have you return!

Prayer for the new Ravah Ministries website which should, prayerfully, be up and running by the first of August. We have all been questioned, including our Volunteer Administrators, about a website where people can go to learn more about Ravah Ministries. We tried for some time to look for anyone that would put one together for us as a donation of services, but we were not successful. In April we contracted a company called Harvest Media Ministries to create a new and more useful website. The cost to Ravah Ministries for this website is approximately \$2,900.
