## Discipleship Training

The discipleship training in different communities in Mexico has been so successful! Enrique Medina has met with about 200 pastors and leaders, representing many churches in Mexico City, Hermosillo, Basconcobe. Three other communities have invited them to lead the discipleship training as well. Ramón Soto, the newest Ravah missionary (shown here with his wife, Cecilia), will be doing a training by himself with a new pastor in Hermosillo the last part of March. Keep this ministry in your prayers - God is using it to bring God's truth to more places and transform lives in the Lord!

## Medical-Dental Clinics = Physical and Spiritual Healing!

Medical-dental clinics will meet in Hermosillo four times a year. Eighteen people have been trained in basic nutrition, medical screenings and preventive medicine to reach out to people in the community before the doctors and dentists arrive. There will be follow-up with the people after the clinics as this is an excellent opportunity for evangelism and discipleship.

## January & February

A lot of planning, organizing, people-contacting, praying... go into the discipleship trainings, clinics, mission trips, etc. Thanks to Enrique, Ramón and families for focusing on so many of these details!

# Upcoming Short-Term Trips

A team from Bridgeway Community Church in Phoenix will be in Hermosillo in March to:

- 1) work on construction of Piedra Angular Church, with Pastor Tony and Edna Soto
- 2) do outreach with children in three different communities
- 3) lead women's Bible studies
- 4) continue growing relationships.

In April, Ravah will host a women's conference focusing on being faithful to God, in Basconcobe where Victoria and José Medina serve.

*You refresh our hearts in Christ.*
